

Your treating physician requested that Biocept perform certain laboratory tests as part of your care and/or treatment. We understand that paying for medical care can be difficult and may present an undue hardship to some patients. As part of our ongoing commitment to patient care, Biocept strives to work with patients in a way that is fair and sensitive to your individual circumstances to help you to address the financial responsibilities for Biocept laboratory testing.

The Biocept Patient Financial Assistance Program assists qualifying patients to afford our testing services. To qualify, a Patient must either (a) have experienced or currently be facing a financial hardship that prevents obtaining insurance coverage; or (b) have a household income that falls below 400% of the U.S. Department of Health and Human Services Poverty Level.

If you choose to apply, you must fully complete and return this Application (with the documentation indicated) to Biocept. Once you have applied, we request that you make no payments until you receive notification from us regarding the status of your application. If you have any questions, please contact the Biocept, Inc. Billing Department at 888-492-4723.
